

2022 Cadence Riding Academy Guide to Showing

What is a Cadence Horse Show?

Cadence Equestrian Center organizes and manages multiple shows throughout the year including both “**Recognized**” and “**Academy**” horse shows. Cadence allows students in the Cadence Riding Academy to participate in these shows without having to own or lease their own horse.

- **Cadence Recognized shows** are usually held on Saturdays and are open to outside exhibitors. These shows are generally larger and more competitive in nature. They are recognized by our two state hunter jumper organizations (HJEO & OHJA). Cadence Academy riders do not have to be members of these organizations to participate.
- **Cadence Academy Shows** are usually held on Saturdays and are only open to students taking lessons in the Cadence Riding Academy.

Request to Participate:

- Anyone wishing to participate in a Cadence Horse Show must fill out the horse show sign up form under the **Shows** page on the Cadence website.
- The sign up is not a guarantee of participation, as participants will be selected in order of date of sign-up.
- Approximately 1-2 weeks prior to each show, our instructors meet and take turns for the picks and assignments of horses. If there is anyone who does not get selected due to amount of available horses, that person can get a full refund, OR go to the top of the pick list for the next show.

Registration & Preparation for the Recognized Show:

- **Registration-** Your trainer will fill out a show entry form for you and give it to the office. (*Do NOT fill out anything other than the “Show Sign Up” form. You may see posts on social media regarding registration, entry forms, etc., but these are for outside participants. Cadence trainers will take care of everything for their students.*)
- **Horse Show Check-In:** Your instructor will pick up your back number and string for you. You do not need to check in or check out of the show office.
- **Preparing the Horses:** Participants may groom & bathe their horse prior to the show, but this must be approved by, and coordinated with, their instructor.
- **Show Times:** Show times vary depending on number of participants. Show times are rough estimates. For Recognized Shows, instructors will have the best idea of show times the evening before the show after the office has received all of the entries. For Academy Shows, instructors will have start times the day before the show.
- **Positive Attitude:** Horse shows are competitive and not everyone will win ribbons. Many factors will go into the placing – this is a sport that takes many factors into consideration; including the independent mind/actions of an animal. We encourage parents to stay positive – and to prepare their riders to have a great attitude – win or lose. Horse show results are not an indicator of rider progression.

- **Ribbons:** Class winners are awarded 1st through 6th place.
- **Champion & Reserve Champion:** There is a special ribbon & prize for each Division Champion & Reserve Champion as long as a minimum of three riders participates. Additional prizes may be awarded to Division Champion & Reserve.
- Champion and Reserve Champion will be calculated on the total amount of points a rider earns in his/her classes.
Points: 1st = 10 points, 2nd = 6 points, 3rd = 4 points, 4th = 2 points, 5th = 1 point, 6th = 1/2 point

Awards & Prizes at Recognized Shows:

- **Ribbons:** Class winners are awarded 1st through 6th place.
- **Champion & Reserve Champion:** The only classes that count towards the champion and reserve champion are classes with the word HUNTER in them; i.e., hunter over fences and hunter under saddle. Classes with the word EQUITATION in them do not count towards the overall champion and reserve champion. Each hunter class counts for points. **Points:** 1st = 10 points, 2nd = 6 points, 3rd = 4 points, 4th = 2 points, 5th = 1 point, 6th = 1/2 point However, ONLY those with the top four scores in the over fences classes are eligible for champion and reserve champion. The HUNTER UNDER SADDLE (flat) class determines the final outcome. The HUNTER UNDER SADDLE scores are added to the top four scores and then the final top scores determine each division's CHAMPION AND RESERVE CHAMPION.
